TITLE: METHOD OF DIVIDING A GUIDED ELECTROMAGNETIC SIGNAL
INTO TWO HALF-POWER SIGNALS USING PHOTONIC
CRYSTALS

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Supplemental to the Information Disclosure Statement filed
March 24, 2006, Applicants wish to bring to the attention of the
Patent Examiner the references listed on the enclosed Form PTO-
1449 and attached thereto. A copy of the U.S. Patent is not
enclosed pursuant to current Patent Office guidelines.

U.S. Patent No. 7,110,641 to Benesty et al. is believed to
be the English-language equivalent of FR 2,841,658. The FR '658
patent was cited in the International Search Report and listed
Applicants' March 24, 2006 Information Disclosure Statement.
Although the Examiner indicated that he had not considered the
reference because a copy had not been received, the Electronic

Records of the USPTO PAIR System contain a copy of FR '658 filed on March 24, 2006. In any event, Applicants resubmit the reference herewith.

Because this Information Disclosure Statement is being filed after an Office Action, the Commissioner is hereby authorized to charge the official fee \$180 to Collard & Roe, P.C.'s Deposit Account 03-2468. Commissioner is hereby authorized to charge Deposit Account No. 03-2468 for any additional fees or credit any overpayment in connection with this IDS.

It is respectfully requested that the foregoing IDS be incorporated into the official file of the present patent application.

Respectfully submitted,
Javier MARTI SENDRA ET AL.

COLLARD & ROE, P.C.
